Present:

C. NARAYANASWAMY NAIDU, ESQ., B.A., B.L.,
Election Commissioner,

R. A. E. Mis. No. 34 of 1940-1941.

Petitioner:-	VS.	Respondent:-
Mr. Nama Ramaswamy Setty, 45 years, son of N. Ramayya Setty, Vysya, Jeweller, residing in Doddapet, Chintamani.		Mr. V.C. Chennaveerabhadrappa, 30 years, son of Chennappa, Lingayet, Perfumary Trade, residing in Nekkundipet, Chintamani.

I. Petition filed under Rules 172 and 174 of the Mysore Representative Rules of 1940.

II. The petition was filed before Government on 10-4-1941 and the same was received in this Court on 19-4-1941.

III. The respondent filed his objections on 26-6-1941.

IV. The case came up for settlement of issues and the following issues were framed on 28-6-1941:

(1) Were the following irregularities committed at the polling station and did they materially affect the result of the election? —

(a) None of the candidates were permitted to be present at the polling station contrary to Rule No.108 of the Representative Assembly Rules;

(b) One Sheik Khasim, a peon in Chintamani Municipal Office, was allowed to be present in the polling station though he had no duty to perform in connection

with the election and he was allowed to mark votes for a number of illiterate or disabled voters on their ballot papers unauthorisedly?

and (c) Sheik Khasim wrongly marked the voting papers in favour of the respondent without reference to or - even contrary to the instructions given by the concerned voters;

(2) Did the said Sheik Khasim and Mr. Anjaneya Reddy, the Vice President of Chintamani Municipal Council, of which the respondent is a member, unduly influence any voters to vote in favour of the respondent and was the secrecy of ballot violated and free voting interfered with by their presence in the polling station?

(3) Did one of the polling officers, Mr. K.R. Mallappa clerk in Chintamani Municipal Office and a partisan of the respondent canvass for the respondent, and did his presence and activities at the polling station seriously embarrass the voters, and interfere with their free voting

(4) Was Mr. Mallappa appointed as polling Officer, only for the Mohammadan Constituency of Mulbagal, Srinivasapur and Chintamani, but did he unauthorisedly act as polling officer for the Urban Constituency also?

(5) Was one of the ballot papers missing when votes were being counted, and did none of the polling officers Viz., Mr. Syed Alam produce a voting paper bearing No.18 after the counting was over, stating that he found it in a box in the polling station?

(6) Was not sufficient notice given of the change of the polling station from the Government Middle School to the Urdu Middle School, and was the result materially -

affected thereby?

(7) Was there double voting by a number of voters both in the Urban Constituency and in the Rural Constituency in contravention of Rule No.18, as is alleged?

(8) Was the secrecy of the ballot violated in the case of six voters who were acting as polling officers, as is alleged in para 17 of the petition?

(9) Were the provisions of Rules 150 and 124 vi as is alleged in Paras 18 and 19 of the petition?

(10) Was there false personation of the deceased Nos. 215 to 216, as is ~~xixxgx~~ stated in the list of corrupt practices?

(11) Was a circular issued by the respondent wh did not bear the name and address of the printer and publisher thereof on 4-2-1941?

(12) To what relief, if any, is the petitioner titled?

V. The case came up for arguments after evid and the same were heard on 11-9-1941.

VI. List of witnesses examined and the list documents admitted in evidence are separately filed?

Mr. M.P. Somasekhara Rao appeared for the petitioner and Mr. C.N. Narasinga Rao appeared for the respondent.

R e p o r t.

1. The petitioner, the respondent and P.W.9 Mr. Venkatasamappa contested the seat from the Urban Constituency of Chintamani for the Representative Assembly. The Respondent secured 159 votes, while the petitioner secured

the respondent was declared elected.

2. In the petition it was alleged that several irregularities "and" corrupt practices were committed.

3. It was alleged that on account of the change of the Polling Station, several voters who would have voted for the petitioner could not come to the place and vote for him. In the statement Exhibit A, it was announced that the Government Middle School, Chintamani, was the polling station for the Urban Constituency. But as there were two Middle Schools in Chintamani, the Returning Officer made the reference Exhibit B to the Deputy Commissioner on 1-2-1941. The Deputy Commissioner passed the order Exhibit B (1) on 3-2-1941 selecting the Urdu Middle School as the polling centre. The order was received by the Returning Officer on the 5th. The Returning Officer who is examined as P.W.1, deposed that he immediately sent notices to the candidates and announced it in the Town by a beat of tom tom and put up a notice to that effect on the notice board of the Taluk Office. This was not however published in any paper. But the Urdu Middle School is at a distance of about 50 yards from the Kannada Middle School, only a road separating the two. The Returning Officer had put up posters and flags near the Urdu Middle School. Out of 446 voters in the list, some of whom must have died, as many as 365 voted, which fact proves that almost all the voters had come to know that the Urdu Middle School had been selected as the Polling Station. Neither party was evidently prejudiced by the selection of the place. There was no change of place, as a matter of fact. The case is not similar to the one reported in Hammond 627.

the respondent was declared elected.

2. In the petition it was alleged that several irregularities and corrupt practices were committed.

3. It was alleged that on account of the change of the Polling Station, several voters who would have voted for the petitioner could not come to the place and vote for him. In the statement Exhibit A, it was announced that the Government Middle School, Chintamani, was the polling station for the Urban Constituency. But as there were two Middle Schools in Chintamani, the Returning Officer made the reference Exhibit B to the Deputy Commissioner on 1-2-1941. The Deputy Commissioner passed the order Exhibit B (1)on 3-2-1941 selecting the Urdu Middle School as the polling centre. The order was received by the Returning Officer on the 5th. The Returning Officer who is examined as P.W.1, deposed that he immediately sent notices to the candidates and announced it in the Town by a beat of tom tom and put up a notice to that effect on the notice board of the Taluk Office. This was not however published in any paper. But the Urdu Middle School is at a distance of about 50 yards from the Kannada Middle School, only a road separating the two. The Returning Officer had put up posters and flags near the Urdu Middle School. Out of 446 voters in the list, some of whom must have died, as many as 365 voted, which fact proves that almost all the voters had come to know that the Urdu Middle School had been selected as the Polling Station. Neither party was evidently prejudiced by the selection of the place. There was no change of place, as a matter of fact. The case is not similar to the one reported in Hammond 627.

4. Therefore I find Issue No.6 against the petitioner

5. Then it was alleged that none of the candidates were permitted to be present in the polling station contrary to rule 108. The petitioner and P.W.9 Mr. Venkatasamappa, - the other defeated candidate, have deposed that at about 8 A.M. they requested the Returning Officer to permit them to be in the Polling Station but that he refused to give them permission. The Returning Officer denied this version. Mr. Syed Alam, who was the polling officer, and who was examined as R.W.1, and Mr. N.R. Seshadri Iyengar, the Presiding Officer, who was examined as R.W.5, have sworn that all the candidates used to go into the polling station freely now and then. There was no necessity for an express permission being granted. If the candidates had not been permitted to enter into the polling station, they should be naturally expected to have complained to the higher -- authorities immediately. Even in the telegram Exhibit Q sent to the Chief Secretary to the Government on the 11th after the result was announced, no reference was made to this grievance.

6. Therefore I find Issue No.1 (a) against the - petitioner.

7. Then it was alleged that Sheik Khasim, a peon in Chintamani Municipal Office, who was posted to be on duty near the polling Station, was allowed to be present inside the polling station, that he unauthorisedly marked on the ballot papers of a number of illiterate or disabled voters without reference to or even contrary to their instructions in favour of the respondent, and that he influenced several voters to vote for the respondent and observed even literat voters marking on their ballot papers.

8. The Amildar had previously posted him to be on duty at the Municipal High School. He has deposed that on -

consulting some of the officials he changed the order and posted him to be on duty in the Urdu Middle School. The order is Exhibit D. It was not unlikely that Sheik Khasim, an employee under the Municipality, was interested in the respondent who was a Municipal Councillor and who is a friend of Mr. Anjaneya Reddy, who was then the Vice-President. A complaint was also made against him to the Returning Officer at about 2 P.M., and he was sent away to another place. The Returning Officer has deposed that the petitioner and Mr. Venkatasamappa complained to him that he was canvassing on behalf of the respondent.

9. But I am not satisfied with the evidence adduced to prove that he was allowed to go inside the polling booth and to mark for any illiterate and disabled voters.

10. P.W.5 Ramiah Setty deposed that when he was going into the booth for voting, Sheik Khasim tried to follow him, but that since he objected to it he remained behind. P.W.6 Aswathanarayana Setty deposed that when he was going into the polling station for casting his vote, Sheik Khasim, was asking an adikarnataka by name Ganganna for whom he would vote, and that on seeing him he kept quiet. Ganganna has not been examined. According to the evidence of this witness Sheik Khasim was questioning Ganganna in the presence of the Polling Officer. The witness was canvassing on behalf of Mr. Venkatasamappa and cannot therefore be considered to be a disinterested. P.W.8 Venkata rayappa deposed that Sheik Khasim was standing near Mr. Syed Alam and was asking one Thathappa if he knew how to put the mark on the voting paper and that though Thathappa told him that he could mark on it, he followed Thathappa to the

place

lace of voting. Thathappa has not been examined. P.W.8 s a partner of the petitioner and was canvassing on behalf f Mr. Venkatasamappa. P.W.10 Munivenkatappa deposed that heik Khasim was following a woman into the booth. He has ot given the name of the woman. P.W.11 Erappa deposed that heik Khasim took his ballot paper from him saying that he ould mark for him and that though he instructed him to mark gainst the symbol 'hand', he marked against the symbol 'cow'. e is voter No.238. The ballot paper corresponding to i.e. erial No.215 shows that the mark is against the 'hand'. herefore the evidence of this witness cannot be believed.

11. P.W.12 Venkatarayappa stated that Doddabeerappa com- lained to him that Sheik Khasim marked on his ballot paper gainst his instructions. Doddabeerappa, voter No.168, was roduced after the petitioner closed his case and was - llowed to be examined as P.W.17. His evidence is that an ngineer i.e. the Polling Officer himself gave him a ballot aper, that Sheik Khasim took it from him and put a mark - gainst the symbol 'cow' though he asked him to mark against he name of the petitioner. According to the evidence f this witness and that of Venkatarayappa, the latter asked im to remain for sometime and went to bring the Amildar. ut P.W.17 did not chose to remain till the Amildar arrived nd went away. The information regarding it was not brought to the notice of the Returning Officer when he came.

12. P.W.14 Dasappa is Voter No.106. According to his vidence, Sheik Khasim took his ballot paper saying that he would himself mark on it and sent him away and that he gave information about it to some persons including Venkata- rayappa, who were standing outside. P.W.16 Jadappa deposed that Sheik Khasim tried to follow him into the booth but since he objected to it, he remained behind.

13. The petitioner and Mr. Venkatasamappa stated that

since

since some voters complained to them that Sheik Khasim was interfering with the free exercise of their votes, they brought it to the notice of the Returning Officer. They cannot name the voters who gave them the information. None of these witnesses protested against the conduct of Sheik Khasim before the Polling Officer or the Presiding Officer. It was even suggested by P.Ws. 6 and 8 that - Sheik Khasim was questioning the voters in the presence of Mr. Alam. If their evidence is believed, then he must have been doing it with the knowledge and connivance of Mr.Alam, which is hard to believe. It was suggested in the cross-examination of Mr. Syed Alam that on account of ignorance of the rules at the time, he allowed Sheik Khasim to question some of the illiterate voters and to mark on their behalf, but on realising subsequently that he himself would come to trouble if he were to admit it, he was denying it in his evidence. But even Mr. Seshadri Iyengar, Assistant Engineer, who was the ~~Polling~~ Presiding Officer has sworn that Sheik Khasim was standing only near the outer door and did not enter ~~in~~ the building even once.

14. It is not unlikely that Sheik Khasim while he was admitting voters into the polling station, tried to canvass on behalf of the respondent. It was evidently on that account that a complaint was made to the Returning Officer, but the other allegations are not proved.

15. Therefore I find Issue Nos. 1 (b) and 1 (c) against the petitioner.

16. Then it is alleged that Sheik Khasim and Mr.Anjaneya Reddy, who was the Vice President of the Chintamani Municipal Council, unduly influenced some voters to vote in favour of the respondent and that the secrecy of the ballot was violated and free voting was interferred with on account of their

presence

presence in the Polling Station.

17. P.Ws. 2, 3, 4, 5, 6, 8, 9 and 12 have deposed that Anjaneya Reddy was canvassing on behalf of the pondent. P.Ws. 2, 5, 8 and 9 added that he was going into the polling station now and then, but the Presidi Officer Mr. Seshadri Iyengar has denied the truth of their evidence. It is not unlikely that as a friend o the respondent, whose representative he was at the time counting he was canvassing on his behalf. It is not als unlikely that he followed some of the voters as far as the door of the polling station. But absolutely no evi dence has been adduced to prove that he unduly influenc any of the voters. Nor is there an iota of evidence t prove that he was present when any of his voters cast their votes. I have already held that the version tha Sheik Khasim was getting information from some of the voters regarding the persons for whom they intended to v and was marking for them is not proved to be true.

18. Therefore Issue No.2 is also found against the petitioner.

19. It was stated that R.W.2 Mr. K.R. Mallappa, who was appointed one of the polling officers, in spite of the object by the petitioner in the petition Exhibit F, was canvas on behalf of the respondent and that on account of his presence and activities in the polling station free vo was seriously interferred with.

20. Exhibit A shows that he was appointed as a Poll Officer for the Urban Constituency along with Mr. Alam. But the evidence of the Returning Officer, the Presiding Officer and the Polling Officer is that Mr. Mallappa was appointed as polling officer only for the Mohammadan Con stituency, the polling for which was being done in

the rooms in the building. He is an Octroi Mutsaddi in the Municipal Office, and it is not unlikely that he was working on behalf of the respondent before the date of the election. But he was busy on the date of the election and it is not even suggested by any of the witnesses for the petitioner that he took any part in interferring with the free voting by any of the voters. Therefore Issue No.3 has to be found against the petitioner.

21. But it is admitted that he was allowed by the Presiding Officer to issue ballot papers to some voters between 11-30 and 12 noon, when there was rush of voters of the Urban Constituency and when there were no voters coming in to vote for the Mohammadan Constituency. He issued ballot papers 201 to 250. Rule 106 would authorise the Presiding Officer to appoint a Polling Officer only if the polling officer appointed by the Deputy Commissioner is absent, but he may authorise a Polling Officer to perform the duties assigned to ~~him~~ himself. This however can only be an irregularity which has not materially affected the result of the election, for he has deposed that he did not assist any voters in marking their ballot papers and there is no evidence to prove that when he was issuing ballot papers he even attempted to speak with any of the voters to whom he issued them. This is my finding under Issue No.4.

22. One ballot paper was missing from the ballot box. The Returning Officer has deposed that he sent for Mr. Syed Alam and questioned him about it, that he suspected that a voter might have put it into the deal wood box which had been kept below the ballot box by a voter, that he went to the Urdu Middle School and brought the missing paper and gave the statement Exhibit H before him. The vote, however,

was not taken into consideration in counting. Therefore Issue No.5 loses its importance.

23. Absolutely no evidence has been adduced to prove that there was any plural voting and Issue No.7 was not pressed.

24. As admitted by the Returning Officer, six votes sent by voters who were on duty in the other polling - stations and to whom certificates had been given by the Returning Officer were not mixed up with the ballot papers that were in the ballot box but they were separately - counted. Therefore it ~~is~~ was contended that the principle of the secrecy of the ballot was violated and that the provisions of rule 142 ~~was~~ were not followed. But the very procedure prescribed by rule 123 (3) violated the principle of the secrecy of the ballot and therefore the procedure adopted by the Returning Officer could not have affected it. It is not shown that the provisions of rules 124 and 150 were violated. Therefore Issue Nos.8 and 9 are found against the petitioner.

25. Voters Nos 215 and 216 are stated to have died some years before the date of polling. Voter No.215 is described as Melurappa, Kote, residing in Chintamani and as an agriculturist. Voter No. 216 is described as Melurappa, Thalari Venkatagiri Kote, residing at Chintamani and as being in service. It is seen from a scrutiny of the counterfoils that Voter No.216 has not voted at all and therefore it becomes unnecessary to consider evidence regarding his death.

26. P.Ws. 10, 11 and 12 have deposed that Kote Melurappa died 4 or 5 years before the date of the election. P.W.10 Munivenkatappa purchased Kote Melurappa's house

attacked to be an interested witness, since he was canvassing on behalf of Venkatasamappa and as the respondent's brother-in-law, who was his paptner, has obtained decree against him for Rs.1,000/- which the witness has been paying by annual instalments. But Exhibit L fully corroborates his evidence and the evidence of P.Ws.11, 12 and 13 on this point. This Kote Melurappa was residing in Sannasetti halli, which is a portion of the town.

27. The person that really voted against No.215 is R.W.4 Thalari Melurappa. His ancestral house is in Agrahara a portion of Chintamani in which admittedly his brothers and his wife are living with his eldest brother Mariappa. His version that he is living alone in a rented house in Kote is improbable. He says that as his eldest brother has been a paralytic patient for the last 4 years, he himself has been paying the assessment for ~~it~~ his ancestral house. He produced the quit rent receipts Exhibits II and III for payment of quit rent for Thalari Inamthi lands of Thimmasandra, which nodoubt prove that he is a Thalari of Thimmasandra. But he has not produced the receipts given to him by the Municipality for the payment of the house tax, evidently as the receipts were not granted to his elder brother. He admits that the khata of the house continues to be in the name of his grandfather Papanna. Therefore it is doubtful if he is the real voter. He evidently voted probably by a mistake in place of Kote Melurappa who is dead. On this account his vote in favour of the respondent may be rejected. But that would not affect the result. The main question to be considered is whether an act of corrupt practice was committed by the respondent or by one of his agents. The petitioner attempted to prove that R.W.4 Melurappa was identified by Mr. Anjaneya Reddy as the real voter and that he was therefore given an identification slip. Since I have believed

the evidence adduced on behalf of the petitioner to prove that Anjaneya Reddi was canvassing on behalf of the respondent both before ~~the date of the election~~ and also on the date of the election, though he himself denied this fact, especially as the evidence adduced by the petitioner is probablised by the fact that Anjaneya Reddy acted as the representative of the respondent at the time of counting, he may be inferred to have been one of the agents of the respondent, for as has been held in the case reported in Hammond 83, agency can be inferred from conduct. But the main question to be decided is whether Anjaneya Reddy knew that R.W.4 was not the real voter and identified him. As regards the proof of existence of corrupt motive, the authorities in British India are not consistent. While it was held in the case reported in Hammond 339 that it was enough if requisite facts ~~are~~ were proved ~~beyond~~ regardless was of the intention or knowledge, it was held in the case reported in Hammond 137 and Hammond 579 that the existence of corrupt motive was essential to constitute a corrupt practice. Then as has been held in the case reported in 3 Jagat Narain 22, if ~~xxx~~ an agent identified a wrong person whom he does not know, he would be guilty of abetment of personation and the candidate would be liable.

28. But, since the voters list does not give the name of the father of Voter No.215 and R.W.4 is also Thalari Melurappa and as Melurappa Kote had died before the voters list was prepared, it is not unlikely that he was believed to be the real voter. Further, the evidence adduced to prove that Anjaneya Reddy identified R.W.4 is interested. P.W.12 Venkatarayappa, who deposed to this fact and also stated that in spite of his objection an identification slip was given to the witness was admittedly canvassing on behalf of the petitioner and he was the representative

at the counting. He had been opposed and defeated in an election to the Municipal Council by Anjaneya Reddy and the respondent. The other witness, who has deposed to this fact, is P.W.9 one of the candidates Shamanna, who was issuing the identification slip, would have been the best person to give evidence as to whether Anjaneya Reddi identified R.W.4 and there was any objection raised regarding the issue of an identification slip to him. He has not been examined.

29. Therefore I cannot hold that the respondent is guilty of corrupt practice.

30. Then printed notices of which Exhibit IV is a copy were got printed and distributed by the respondent both on the date of the election and also previously, as is admitted by him. Section 3 of Part III of the Vth Schedule makes it a corrupt practice to issue a circular, placard or poster having a reference to the election which does not bear on its face the name and address of the printer and publisher thereof. Exhibit IV may not come under the meaning a placard or a poster which are intended to be posted in a public place. But I cannot say that it does not come under the meaning of a circular. A reference to the Webster's Dictionary shows that a circular includes a printed paper given or intended to be given to a number of persons. The explanation of the respondent is that it is only an instruction slip intended to instruct the voters how to mark for him. But it is requested in it that the valuable votes of the voters of the constituency might be given for him by putting a cross against his name and symbol. Therefore the case would come under Section 3 referred to.

31. In the case reported in 1 Jagat Narain 31, no action was taken as there was no proof that the result

of the election had been materially affected thereby. is true that this Court ~~xxx~~ cannot hold that the elec is void on this ground as the case would not come und rule 187 (b) and since the result of the election was affected thereby. But the respondent incurs the dis-qualifications set out by rule 193, unless the Govern removes it under rule 197. In the case reported in H 339 under similar circumstances a recommendation was for exemption. It was observed: " In view of his fra ness in the matter and of the fact that the cost of printing the leaflet is included in his return of exp filed before the present petition, we accept his stat ment that the omission was purely accidental. In vie the unfamiliarity of the electoral law we accordingly commend that ~~the~~ Maulvi Kader Bux be entirely exempte the disability imposed by rule 5 of the electoral rul The respondent and the printer R.W.7 P.M. Rangiah hav sworn that the omission was purely accidental. It is that in the circular Exhibit V, which was also printe the same printer, the name of the printer is entered. Therefore I consider that it is a fit case for the re of the disability.

32. Nodoubt several irregularities were committe during the election. Though the late fixing of the p of poll did not materially prejudice the parties, sti is deposed to by Mr. Venkatasamappa, the petitioner an Mr. Venkatasamappa came to know of it only on the 7th a da before the date of the election. The notice to Mr. Ve samappa Exhibit K is dated 6-2-1941. Posting of emplo of the Municipality of which Mr. Anjaneya Reddy was th President gave room for reasonable apprehension of the canvassing for the respondent even at the time of poll Mallappa, who was allowed to act as a Polling Officer

issued as many as 50 ballot papers. Mr. Alam, the Polling Officer, made a note on as many as 34 ballot papers given to illiterate voters instead of making a note on the counter-foils as required by rule 120. But these votes cannot be rejected under Rule 145 for his notes would not lead to the identification of the voters. In the case reported in 2 Jagat Narain 109 and Woodward vs. Sarsons, 10 common pleas 733, voting papers with counterfoils put into the ballot boxes were held to be valid. But these are irregularities which it did not in any way affect the result. Irregularities committed in following the rules cannot avoid an election unless they materially affect the result, as provided by rule 187 (c). In this case, there is a difference of 54 votes between the respondent and the petitioner. Reference may be had in this connection to the cases reported in Hammond 689 and 4 Jagat Narain 22.

33. Though I have held that the respondent is guilty of a corrupt practice coming under Section 3 of Part III of Schedule V, his election cannot be declared to be void on that account.

34. For the above reasons, I hold that the election is valid and that the petition is liable to be dismissed.

35. Having regard to the irregularities committed and the fact that therefore the petitioner had a reasonable ground for filing the petition, each party may be directed to bear his costs. I recommend accordingly.

In the matter of the General Elections to the Representative Assembly 1941.

*****

Under Rules 172 and 174 of the - Representative Assembly Rules of 1940, the petitioner begs to state as follows :-

1. At the General Elections to the Mysore Representative Assembly which were held on 8th February 1941, the petitioner was one of the candidates who offered themselves for - election in the Urbun Constituency of Chintamani (Town Municipal Area), the respondent and one Devalam Venkatasamappa being the -

2. As a result of the counting of votes which took place on 11th February 1941, the Respondent was declared elected and this fact was notified in the Mysore Gazette.

3. The fact of the Respondent having lodged his return of election expenses has been notified in the Mysore Gazette on 3rd April 1941

4. The petitioner submits that the result of the election has been materially affected by reason of non-compliance with the provisions of several of the rules relating to the elections framed under the Government of Mysore Act as stated in the following paragraphs namely :

5. Contrary to rule 108 none of the candidates was permitted to be present at the polling station inspite of repeated requests of the petitioner. The petitioner had therefore no opportunity of watching the polling and preventing as far as possible irregularities being committed in the polling station.

6. One Sheik Khasim a peon in Chintamani Municipal Office was allowed to be present in the Polling Station in contravention of Rule 108 though he had no duty to perform in connection with the election.

7. The said Sheik Khasim who was neither the Presiding Officer nor the Polling Officer marked the votes of a number of illiterate or disabled voters on their ballot papers, though he had no authority to do so under Rule 120.

8. According to the information and belief of the petitioner votes of illiterate voters have been marked by the said Sheik Khasim in favour of Respondent in many cases without reference to or even contrary to the directions of the concerned voters.

9. Most of such illiterate voters were not really unable to mark their votes on the ballot paper especially since symbols had been used in the ballot papers to indicate the names of the candidates and there was therefore no need or occasion for any one else to mark their votes.

10. It is also learnt that he influenced several voters to vote or consent to their votes being marked in favour of the respondent. Under the pretext of helping the voters, he was moving about in the polling station and observing even literate voters marking their votes.

11. The respondent is a member of the Chintamani Municipal Council and the said Sheik Khasim aforesaid who is a Peon in the Office of the said Municipal Council was actively canvassing for the respondent. Mr.Anjaneya Reddi, the Vice - President of the said Municipal Council and the official superior of Sheik Khasim was also canvassing for the Respondent from the inception of the election capaign. On the date of the election, he was standing at the entrance to the polling station urging the electors to vote for

vote for the Respondent and was frequently getting into and coming out of the Polling Station. By reason of the presence of Sheik Khasim and Mr Anjaneya Reddi in the Polling Station, the marking of the votes of illiterate or in firm voters by Sheik Khasim and his watching other voters while marking their votes, the secrecy of the ballot has been seriously violated thus frustrating the object of Rules 112 & 119, and in any event, there has not been a free and fair election.

12. One of those who acted as polling officers was Mr.K.R.Mallappa, a clerk in the Chintamani Municipal office and was a partisan of the respondent, for whom he had been canvassing. He is also a subordinate of the Vice-President of the Municipality, Mr.Anjaneya Reddi mentioned above. The petitioner objected by means of a petition addressed to the Deputy Commissioner to the appointment of the said K.R.Mallappa as a polling officer. But, the objection had no effect. The presence and the activities of this gentleman at the polling station have seriously embarrassed the voters and interfered with the election to the prejudice of candidates other than the respondent.

13. The petitioner has since learnt that Mr. Mallappa was appointed polling officer only for the Mahomadan Constituency of Mulabagal, Srinivasapur and Chintamani for which the polling station was the same but did as a matter of fact work as a polling officer for the Urban

Jrban Constituency also, though not appointed as such.

14. When the votes were counted one ballot paper was found to be missing. One of the polling officers Mr.Syed Alam on being asked for an explanation brought a voting paper bearing No.18 after the counting was over and stated that he found it in a box in the polling station on which voters used to keep the ballot papers for the purpose of marking their votes. The petitioner has intimated this fact by telegram to the Chief Secretary to the Government.

15. The Government Middle School was originally announced as the polling station for the constituency (vide Mysore Gazette of 30.1.1941 Part III 2 page 236). The election was however held in the Urdu Middle School. Sufficient and and timely publicity was not given to the fact of the polling station ~~during~~ being so thus changed.

16. A number of voters have voted both in the Urban Constituency in question and in the Rural Constituency of Chintamani Taluk in contravention of Rule 18.

17. The votes of 6 voters who were on duty at several Polling Stations as polling officers which were recorded in accordance with Rule 123 and forwarded by post to the Returning Officer were not taken out of the concernd envelops and mixed with the other votting papers as per Rule 142. before the counting but were opened at the end and counted separately, the secrecy

secrecy of the ballot being thus violated.

18. Separate packets were not prepared and sea up in accordance with Rule 150 after the countin was completed.-

19. Likewise, the requirements of Rule 124 wer not complied with, the candidates desirous of affixing their seals also to the several packets mentioned in that rule being allowed to do so on to the ballot box but not to the other packets.

20. Corrupt practices as per particulars set forth in the attached list has been committed in the interests of the Respondent and his election has been thereby procured.

21. The petitioner has made a deposit of Rs. 100/- as per Rules 176 in the Government Treasury at Bangalore Taluk as ~~endorsed~~ evidenced by the attached Challan bearing No. 880.

22. For the foregoing reasons it is prayed that the election of the respondent be declared void and a fresh election ordered and that the Respondent be directed to pay the costs of the petitioner.

23. The address of the petitioner is: Name Ramaswamy Setty, Jeweller, Doddapet, Chintamani.

Respected Sir,

I write to state that 4 buildings 3 at the disposal of the educational department viz Government Middle School Chhiramani, Kanada primary boys' school Muragamalla, are also Urdu primary boys' school at Muragamalla adjacent to it, and one building (Forest lodge) at Mohamadkanhalli, are fixed up as polling Station for the ensuing elections of the Representative Assembly Legislative Council to be held on 8-2-1941. I regret that authorities concerned may be asked in the matter of placing the buildings at my disposal on the 7th & 8th of February 1941 if not already done.

In this Connection, I beg to state that for the Urdu Constituency of Chhiramani, the polling station is fixed as Government Middle School. There are two Government Middle Schools in this place, one Kanada the other Urdu. If the polling is conducted in the Urdu Middle School, there will not be any necessity of providing a temporary enclosure to the buildings as in the case of the Kanada Middle School as the former is surrounded by a Compound wall. Therefore I solicit instructions whether polling may be conducted either in the Urdu Middle School or at the Kanada Middle School. If it is to be done in the latter, sufficient care

arrangements will have to be made for providing an enclosure to the building. We solicit early instructions in the matter.

Yours sincerely

Chintamani.

I beg to submit the following few lines to your kind consideration.—

I was asked by the Returning Officer to go over to Taluk Office on 11-2-41 at 1. p.m. When I went there I was asked the reason of a ballot paper missing out of total 360 voting papers. I replied that either one of the voters might have carried it home or it might have been inserted into the box of the School which had been kept to be used as the table for marking of Votes on 8-2-1941. On the same day one of the voters was trying to insert the ballot paper into the School Box, then I guided him to put into the Government Sealed Box. He did so. So, I think that it might have been inserted into the School Box. Then, I was asked to go and search for it into the box. I came to the School at once and asked Syed Moose, the Librarian of the School who had the key of that box. He opened the box before me and the Ballot paper was found in it. I took it at once

After Counting the Votes of the Western Constituency of the R.A. the ballot papers on hand were Counted and Verified with the Statement Submitted by the presiding officer in form No. 7. It was discovered that one ballot paper Serial No 18 was missing On a Search being made, the above paper was found in the ~~box~~ steel wood box belonging to the Uruvu middle School, which was kept in the polling Station inside the polling booth for the purposes of recording the Votes, Using the box as a table. The head master of the Uruvu middle School, who was the polling officer, Opened the box and brought the paper after he was requested to make a Search. Perhaps the paper ~~might have~~ had been inserted by one of the ignorant electors, Thinking that box to be the ballot box. It is learnt from the polling officer, That a Similar ~~thing~~ mistake was about to be Committed by another Voter, when he was directed properly. ~~He~~ In this ballot paper one Vote is recorded in favour of Mr. Chandrasena Veerabhadrappa. This paper is not taken as valid, as it was not found in Sealed ballot box provided for the purpose.

Mr. Nana Ramaswami Setty, a candidate standing for Election to the R.A. from the urban Constituency of Chintamani, has petitioned that one Mallappa, a municipal official who is appointed as a Polling officer is canvassing votes on behalf of Mr V.C. Channaveeraiah a rival candidate.

As his interests are likely to suffer, he prays that the Polling officer may be changed.
